35TH CONGR. 1st Session. } HOUSE OF REPRESENTATIVES. { REPORT No. 341.

U. S. Congress. House. Committee on invalid pensions

JOHN BONNER, OF LOUISIANA.

APRIL 17, 1858.

Mr. CHAFFEE, from the Committee on Invalid Pensions, made the following

REPORT.

The Committee on Invalid Pensions, to whom was referred the petition of John Bonner, of Louisiana, asking an invalid pension for wounds received in the war of 1812, *report:*

That said John Bonner alleges that he was wounded by a stroke of a cutlass across the forehead, whilst he was in the line of his duty as a private in the company of Captain Emanuel Lee, of the 10th regiment of United States infantry, in the war of 1812. He furnishes no evidence of the said wound having been inflicted; and your committee have before them letters from the Third Auditor of the Treasury and the Adjutant General of the army—the officers having charge of the rolls of the troops who were in the war of 1812. In those letters they state that the rolls, which are perfect, do not show that Bonner was wounded. In the absence of any proof, the committee are of the opinion that the memorial should not be granted.
